Pet Rules

Owners may keep dogs, cats or other usual and ordinary household pets, not to exceed two (2) in number and seventy (70) lbs. combined, provided that such pets shall not be allowed in the Association Property, unless such pet is being held, is in a carrier or is on a leash, and provided that the pets shall not be a nuisance to other residents of the property. Pet owners are responsible for immediately cleaning up after their pets. Any pet owner in violation of the pet rules may be invited to a hearing and subject to disciplinary action.

Moving / Deliveries

Moving / delivery hours are Monday—Saturday between 9:00am-5:00pm only and Sunday / holiday moving or delivery is strictly prohibited. Failure to comply with this requirement will result in a \$500.00 fine. There has been an increase in unapproved moves and deliveries and we kindly ask that you provide one week notice of your plan to move so that we may reserve the elevator for your use.

Bike Storage

On a recent inspection of the G2 bike storage, it was noticed that several bike tires are flat. If you are not using your bike regularly, please remove or dispose of it to make room for other bikes. Management will be reviewing this area periodically and may implement a bike registration policy in the future to clean up the area and remove bikes that may have been abandoned. Thank you kindly for your cooperation!
